CAN'T DECIDE? ASK US FOR YOUR FAVOURITE CLASSIC COCKTAIL!

A note on sustainability..

The concept behind RAFI's cocktail program is simple - to create minimal to no waste whilst also executing delicious and unique drinks.

By choosing seasonal fruits we have contributed to relieving demand on Australian farmers, receiving optimal quality of produce, minimising over supply in the market as well as utilising 'imperfect picks', partnering with local fruit vendors.

Working with our neighbouring Applejack venues, we can give another life to some produce otherwise destined for the bin, by implementing modern sustainable techniques throughout the menu, creating riffs on a few of the world's best classic cocktails.
